

Dear Sir / Madam,

In 2017 and 2018, CFE Tax Advisers Europe continued being a main interlocutor in the dialogue with the EU institutions on tax technical and tax policy matters. To that end, publications are a key tool in informing internal and external stakeholders of relevant developments and CFE's position concerning the developments. Through the publications, we share the unique insight and expertise of our members with EU institutions and advance the CFE policy priorities in the EU and wider public debate.

The Biannual Publications Report accordingly details the opinion statements and other publications published by CFE Tax Advisers Europe in 2017 and 2018. We invite you to read the [CFE Biannual Publications Report 2017-2018](#) and remain at your disposal for any questions you may have.

Kind regards,

Piergiorgio Valente  
President
