

Dear Sir / Madam,

As the EU institutions are considering the policy priorities for the next mandate, CFE Tax Advisers Europe is taking the opportunity to set out the tax and professional affairs policy issues it identifies as significant concerning taxation and the future. Accordingly, this [Opinion Statement](#) sets out the policy priorities of European tax advisers for the 2019 – 2024 mandate of the European Institutions.

We invite you to read the [Opinion Statement](#) and remain available to discuss any questions or comments.

Kind regards,
